The Mercury FourStroke outboards are the all-rounders in the Mercury lineup: smooth-running, economical, and low-maintenance. They are equally suitable for inflatable boats, sport boats, and center console boats.

The FourStroke 30 hp EFI delivers 30 hp from a 3-cylinder in-line engine. Dry weight from 66 kg. Electric start models with a 17-amp alternator.

We professionally install, commission, and break in the engine. Price upon request – we would be happy to provide you with a quote including propeller, instrumentation, and installation.
