The Mercury FourStroke engines are the all-rounders in the Mercury lineup: smooth-running, economical, and low-maintenance. They are equally suitable for inflatable boats, sport boats, and center console boats.

The FourStroke 40 hp EFI delivers 40 hp from a 3-cylinder in-line engine with a displacement of 747 cc. Dry weight from 93 kg. 18 A alternator. Also available as a 4-cylinder version with 995 cc and a weight of 118 kg.

We professionally install, commission, and break in the engine. Price upon request – we would be happy to provide you with a quote including propeller, instrumentation, and installation.
