The Mercury FourStroke engines are the all-rounders in the Mercury lineup: smooth-running, economical, and low-maintenance. They are equally suitable for inflatable boats, sport boats, and center console boats.

The FourStroke 50 hp EFI delivers 50 hp from a 4-cylinder in-line engine with a 995 cc displacement. Dry weight from 112 kg. 18 A alternator.

We professionally install, commission, and break in the engine. Price upon request – we would be happy to provide you with a quote including propeller, instrumentation, and installation.
