AT A GLANCE

The ProKicker models are tow motors with a high reduction...

The ProKicker models are tow motors with a high reduction ratio, a large 4-blade propeller, and standard power trim – built for slow, smooth cruising and as a backup engine.

The FourStroke ProKicker 15 HP EFI delivers 15 HP from a 330 cc, 2-cylinder in-line engine. Dry weight from 56 kg. 12 A alternator, power trim standard.

We professionally install, commission, and break in the engine. Price upon request – we would be happy to provide you with a quote including propeller, instrumentation, and installation.
