The Mercury MerCruiser T6200 Tow Sport 320 hp is a 6.2-liter V8 gasoline inboard engine with electronic multi-point injection (MPI). This tow sport inboard is designed for wakeboard and waterski boats and delivers impressive torque from a standstill. It features a 70A alternator.

The price listed is Brunswick Marine's non-binding recommended retail price including VAT. Transmission, rigging package, and shaft drive are priced separately depending on the boat type – we would be happy to provide you with a complete quote.

Installation, commissioning, test runs, and servicing are handled at our workshop on Lake Constance.
