AT A GLANCE

The SeaPro models are designed for continuous commercial use –...

The SeaPro models are designed for continuous commercial use – reinforced components, extended service intervals, and robust gearboxes for high operating hours.

The SeaPro 25 hp delivers 25 hp from a 3-cylinder in-line engine. Dry weight from 60 kg. 17 A alternator on electric start models.

We professionally install, commission, and break in the engine. Price upon request – we would be happy to provide you with a quote including propeller, instrumentation, and installation.
