The Verado series is Mercury's premium line: exceptionally quiet operation,...

The Verado series is Mercury's premium line: exceptionally quiet operation, electric steering, and digital shifting as standard, designed for large boats and long distances.

The Verado 250 hp delivers 250 hp from a 4,600 cc V8 engine. Dry weight from 272 kg. 115 A alternator with idle charge.

We professionally install, commission, and break in the engine. Price upon request – we would be happy to provide you with a quote including propeller, instrumentation, and installation.
