Novamarine Black Shiver 160 OB "H2", built in 2020, in...

Novamarine Black Shiver 160 OB "H2", built in 2020, in Brilliant Silver with a full teak deck and three Mercury V12 600 hp outboard engines (302 operating hours). This 16.70 m maxi-RIB combines seaworthiness with speed: up to 50 knots, cruising speed 38 knots, and thanks to its shallow draft of only 1.09 m, the bow can be beached even in shallow bays. On deck, there is a large dinette under the carbon T-top with a refrigerator, sink, and storage space. In the bow, there is a huge relaxation area that can be converted into a circular seating area, a sunbed, or a dining area, complete with a sun awning. Below deck, there is an air-conditioned
