The Scanner 800 D is the elegant and versatile entry-level...

The Scanner 800 D is the elegant and versatile entry-level model of the D-Line (Pro Line): 8.00 m long, 3.00 m wide, with seven air chambers and 60 to 65 cm diameter Hypalon neoprene tubes (1,670 dtex).

Approved for up to 30 people and engines up to 450 hp, either as an outboard (one Verado V10 350 or two Verado 250) or as an inboard (MerCruiser 6.2, Volvo Penta V8 380). The D-Line is characterized by its straightforward layout, robust construction, and high performance; it is equally suitable for leisure, charter, dive centers, and commercial use. Standard features include seat cushions, a GRP steering console with stainless steel handrail,
