The Scanner Envy 1500 is the shipyard's new flagship, unveiled in Cannes in 2024: 15.20 m long, 4.40 m wide, certified for 18 people. Engine options range from 1,200 to 2,400 hp, either outboard (approximately three 600 hp engines) or inboard. Depending on the configuration, it can be a refined cruiser or a high-performance, adrenaline-fueled maxi-RIB. The deck is designed as a walkaround: side passageways lead to the spacious beach club at the stern, which remains completely open in the inboard version. The bow is designed to provide interior space and headroom below deck reminiscent of large motor yachts. Luxury and sophistication for
