The Scanner Envy 950 combines the spirited performance of a...

The Scanner Envy 950 combines the spirited performance of a large maxi-RIB with the maneuverability of a 9.5-meter boat. It measures 9.50 m in length and 3.30 m in width, featuring five air chambers with 60 to 65 cm diameter tubes made of Hypalon neoprene (1,670 dtex). Certified for 18 people and up to 600 hp, it can be powered by either an outboard (two Verado 250s or a V8 300) or an inboard (MerCruiser 4.5/6.2, MerCruiser diesel). It boasts a Mediterranean style with teak accents, a center console with a sporty windscreen, and sun loungers fore and aft. Beneath the console is a fully equipped cabin with a head. The pronounced tubes provide
