AT A GLANCE

The Alpha 45 embodies everything Technohull stands for: exhilarating performance,...

The Alpha 45 embodies everything Technohull stands for: exhilarating performance, clean design, and luxurious comfort – all taken to the next level. For the first time on a Technohull, the steering wheel is centrally located in a wide console, giving the driver optimal visibility and complete control. The semi-straight, high, wave-breaking bow, combined with the stepped deep-sea V hull, is designed specifically for offshore conditions and delivers impressive performance: With four engines, cruising speeds of around 39 knots and top speeds of over 74 knots are possible. The cabin, accessible via a side console door, offers an unusually
