The Alpha 50 is Technohull's new flagship and marks the beginning of a new design era for the shipyard: generous deck space, ample sunbathing areas, and a completely reimagined look that combines comfort, style, and performance in an unprecedented balance. Aft, a spacious island sunbed invites relaxation, while forward, a bow sunbed and console seating further enhance the generous space. The new aerodynamic hardtop with a full-glass windshield offers reliable protection even at high speeds. Powered by up to five 500-hp outboard engines or optional inboard diesels, the Alpha 50 achieves cruising speeds of over 43 knots and top speeds of up to
