AT A GLANCE

With the XPD 46, Technohull is launching a completely new...

With the XPD 46, Technohull is launching a completely new boat category: the Expedition Series for year-round cruising in all weather conditions. At its heart is the fully enclosed, convertible superstructure – with sliding doors, a sunroof, and a fully opening transom window, it transforms at the touch of a button from a closed, weatherproof retreat into an open lounge. The wave-breaking hull with its pronounced bow ensures a smooth, dry ride, even in rough seas. Two comfortable cabins – a master cabin and an aft cabin – offer accommodation for up to four guests plus the skipper, complemented by an additional cabin beneath the bow sunbed.

DESCRIPTION (CONTINUED)

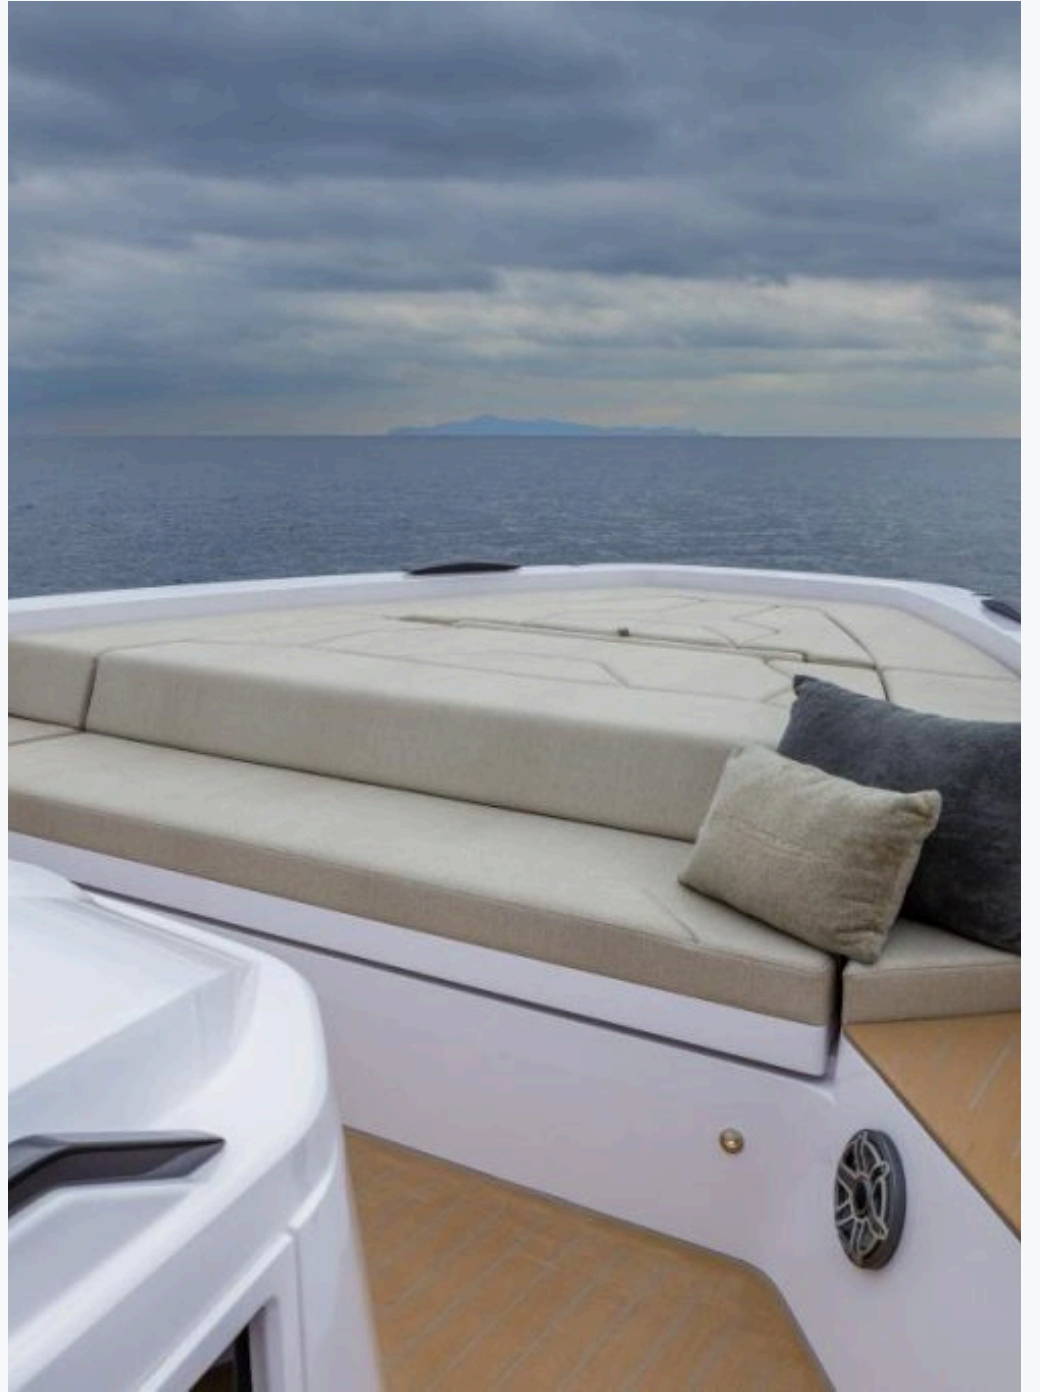

With up to 1,800 hp of propulsion (outboard or diesel inboard), the XPD 46 achieves a cruising speed of around 35 knots and a top speed of 56 knots.

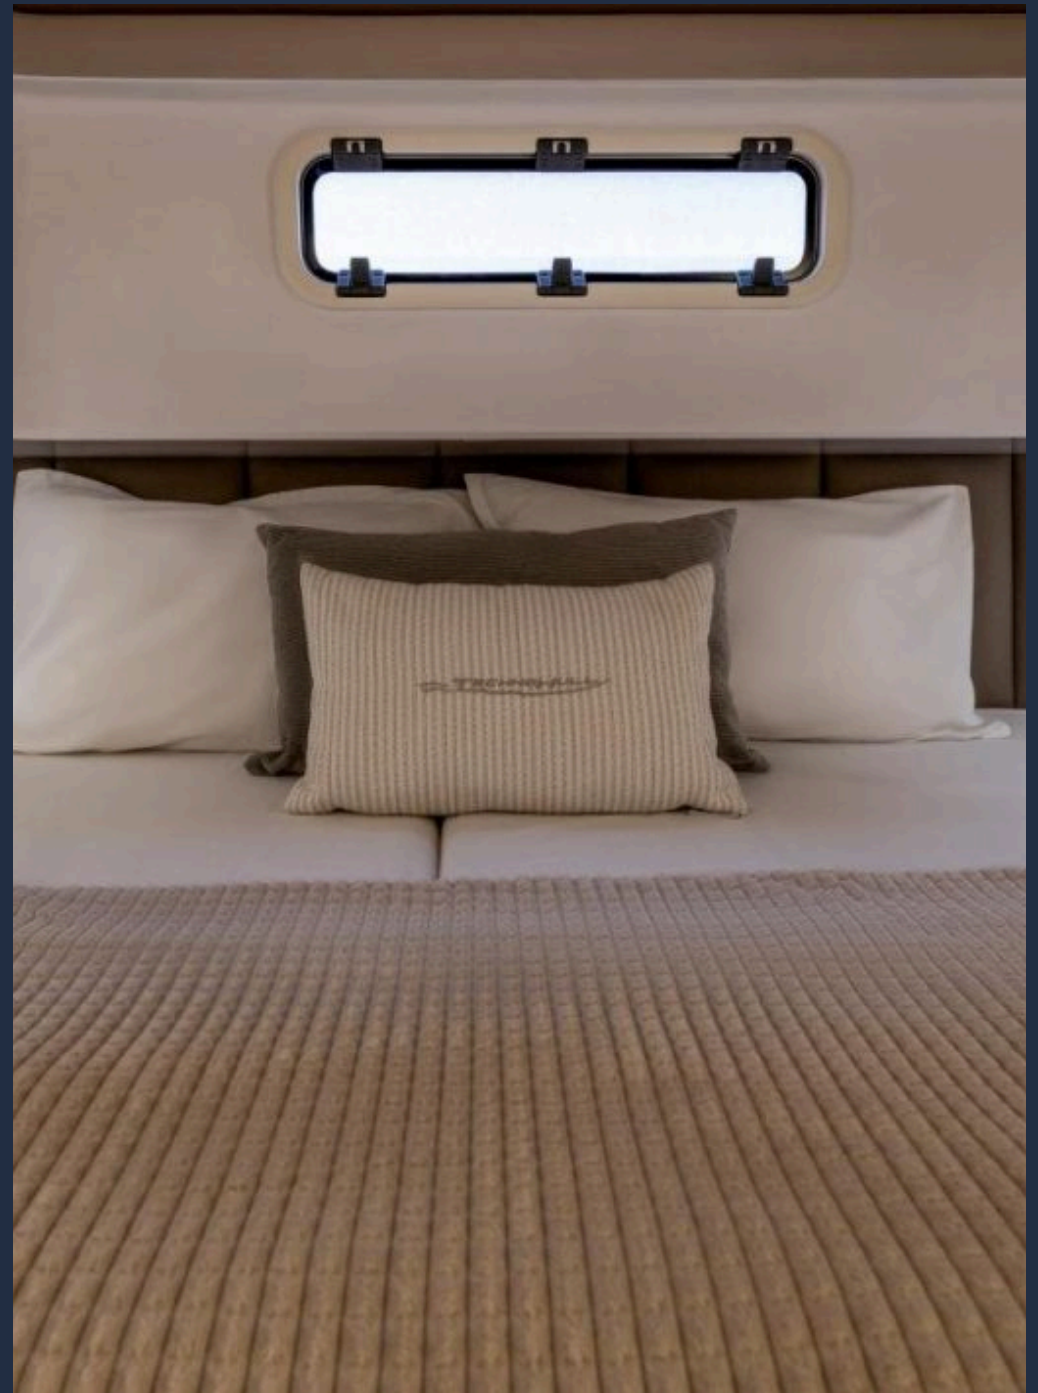

The XPD 46 is equipped with a fully enclosed, weatherproof hull with a pronounced bow bow and a fully enclosed hull with a deep-sea hull. Options: Bow sunbed with large storage compartment; Aft island sunbed with I-shaped seating area; Master and aft cabins, each with en-suite bathroom; Additional cabin possible under the bow sunbed; Fully protected, convertible superstructure with sliding doors and

sunroof; Wetable with two refrigerators at the helm; 2x Raymarine Axiom Pro 12" GPS; Fusion Apollo 700 sound system; Duoprop 4 kW bow thruster; 3x underwater lights, switchable white/blue

Optional Equipment (at extra cost): Cabin interior in the bow area (mattress, side tents, toilet); Larger portable refrigerator (95 l); Sundeck and seat covers; Air conditioning; Generator; Electric sunroof; WATCHIT collision warning system; Hempel antifouling racing paint
