The ZAR mini LUX series offers significantly more comfort than...

The ZAR mini LUX series offers significantly more comfort than classic RIB models: bow storage compartment, flat double bottom, and a self-bailing cockpit are standard features. Equipment such as teak-look EVA flooring, bow cushions, and a high-quality steering console complete the boat, while four davit points facilitate launching from a yacht. The tubes are made of robust and durable PVC, suitable for regular use on Lake Constance. At 3.50 m in length, the boat accommodates up to 5 people and is designed for outboard motors up to 40 hp.

Options: Sun awning, additional bilge pump, swim ladder
