AT A GLANCE

The ZAR mini LUX Rider range offers significantly more comfort...

The ZAR mini LUX Rider range offers significantly more comfort than classic RIB models, featuring a spacious bow sunbed, engine well, and self-bailing cockpit. Standard features include EVA flooring in a teak design, bow cushions, a backrest, and a high-quality steering console. An integrated fuel tank ensures a tidy deck. The tubes are made of CSM (Hypalon), the durable successor to Hypalon with high UV and weather resistance. At 4.20 m in length, the boat accommodates up to 8 people and is designed for outboard motors up to 50 hp. The fuel tank has a capacity of 54 liters.

Options: Sun awning, Additional bilge pump, Swim ladder
