The ZAR mini LUX 18 is the largest and most...

The ZAR mini LUX 18 is the largest and most comfortable model in the series, equipped with a 60 cm wide aluminum steering console with a windscreen and wraparound handrails. The integrated fuel tank in the center hull and four sturdy davit eyes make it suitable as a comfortable tender for larger yachts. The tube is made of robust PVC, making it ideal for regular use on Lake Constance. At 5.50 m in length, the boat offers space for up to 10 people and is designed for outboard motors up to 115 hp. The fuel tank has a capacity of 100 liters.

Options: Sun awning, additional bilge pump, swim ladder
