The ZAR mini RIB 12, with its lightweight aluminum hull and standard bow storage compartment, offers extra storage space for longer trips. Two D-rings on the transom allow for easy towing of water toys. The bow storage compartment and flat double floor provide additional storage space and a comfortable, level standing area on board. The inflatable tubes are made of durable PVC, making them suitable for regular use on Lake Constance. At 3.60 m in length, the boat accommodates up to 6 people and is designed for outboard motors up to 20 hp. The fuel tank has a capacity of 24 liters.
