The ZAR mini RIB 9 combines a lightweight aluminum hull...

The ZAR mini RIB 9 combines a lightweight aluminum hull with compact dimensions, making it ideal as a maneuverable tender. Three to four lifting eyes allow for easy launching on board a yacht. A bow storage compartment and a flat double bottom provide additional storage space and a comfortable, level standing area on board. The inflatable tubes are made of durable PVC, suitable for regular use on Lake Constance. At 2.70 m in length, the boat offers space for up to four people and is designed for outboard motors up to 15 hp. The fuel tank has a capacity of 12 liters.
